

DET 6, 600TH PHOTO SQUADRON  
Bien Hoa RVN

During this reporting Det 6 had a total of 16 personnel losses and a gain of 12. On 12 May Captain Douglas R. Burrow was replaced as detachment commander by 2nd Lt Ralph E. Verre.

The Detachment was hit by mortar and rockets during an enemy attack on Bien Hoa AB on 12 May. Five trailers were damaged and the administrative trailer suffered severely. The commander's office, located in the rear of the administrative trailer had to be completely rebuilt. All damaged trailers were repaired and returned to normal operation.

A new Type III Photo Lab arrived at the detachment to replace the old, inadequate facility. The new lab quickly became operational after its arrival, improving the quality and quantity of work done by the det.
