

DET 12, 600TH PHOTO SQUADRON

Nakhon Phanom, Thailand

On 30 Oct 66 TSgt Marvin H. Gottlieb, A1C Joseph Santoyo and A2C David Landen reported to the 23rd Tass on TDY. The airmen flew backseat strike photography from O1-F aircraft. While there a semi-trailer was acquired from the base to be used as a photo lab. The base Civil Engineers under the direction of TSgt Gottlieb began renovating the trailer for use as a lab. All processing of film was accomplished at Udorn RTAFB by the 432 RTS. On 3 Nov 66 Sgt Gottlieb and the two airmen returned to Korat RTAFB. At this time the photo trailer was 2/3 complete. It was left in place to be used by the Base IO.
